ENERGEX
26 REDDACLIFF PLACE
NEWSTEAD QLD 4006

Dear Sir/Madam

Blanket Conditional Approval Permit

For the operation of a regulated activity being interference with a road under *Local Law No 11 (Roads and Malls) 2008* and under Clause 24 of the Memorandum of Understanding between City of Gold Coast and Energex.

Location: CITY OF GOLD COAST CONTROLLED ROADS
Type of closure: TEMPORARY HALF ROAD / LANE / PARKING LANE / VERGE CLOSURES
A FULL TEMPORARY ROAD CLOSURE REQUIRES A SEPARATE APPLICATION
Reason for closure: ENERGEX WORKS
Traffic controller: REGISTERED TRAFFIC CONTROLLERS
Date of closure: 1 JULY 2018 TO 30 JUNE 2019

In accordance with Section 13 of *Local Law No. 11 (Roads and Malls) 2008* and **subject to the conditions** listed below, Council hereby grants the Applicant a permit to operate the regulated activity.

Conditions of Permit

- 1 Compliance with requirements of Subordinate Local Law 11.1**
Energex must comply with the requirements of section 7 of *Subordinate Local Law No. 11.1 (Interference with a Road) 2008*.
- 2 Queensland Police Service Permit to be obtained**
Energex must obtain a road closure permit from the Queensland Police Service (QPS) prior to commencement of the regulated activity.
A copy of the QPS permit must be available at the site of the temporary road closure for the duration of the works.
- 3 Cessation of work if traffic delays excessive**
In the event that traffic delays are unduly excessive or disruptive, Council may withdraw this Permit and require the road to be opened.

4 Additional permits / approvals required

Prior to commencement of the regulated activity, the Applicant must:

- a) Contact the City's Urban Precincts Coordinator on (07) 5581 1709, to obtain approval and conditions for access to malls, footpaths and foreshore areas.

5 Other parties to be notified

- a) Prior to the commencement of the regulated activity all Emergency Service authorities in the relevant area of the temporary road closure are to be notified of the temporary road closure.
- b) Local residents, businesses, bus and taxi companies directly affected are to be advised through public notices, media or letterbox notices prior to the temporary road or verge closure.
- c) **Light Rail**
Where there is a potential that the regulated activity may interfere with the operation of the light rail and in any event for all proposed works in the vicinity of the light rail, prior to the commencement of the regulated activity, the Applicant must consult with GoldlinQ Pty Ltd and KDR Gold Coast Pty Ltd (the 'light rail operator') and obtain the light rail operator's consent to the proposed works and ensure that such works are undertaken in accordance with requirements and reasonable directions of the light rail operator.
- d) The light rail operator can be contacted as follows:
GoldLinQ c/o KDR Gold Coast Pty Ltd.
Email: info@ridetheg.com.au or Website: www.RideTheG.com.au

6 Manner in which works are to be conducted

- a) All operations must be conducted according to the requirements of *Manual of Uniform Traffic Control Devices (MUTCD) (Part 3) Works on Roads*; and the *Work Health & Safety Act 2011*.
- b) Traffic Controllers are to be qualified, registered and certified. Proof of accreditations must be carried on their person at all times whilst on the work site / event area for the duration of the works.
- c) Energex must restore the area to original or approved condition at completion of the works.
- d) Works on arterial roads (i.e. yellow roads in UBD) and adjacent to schools where congestion is expected, are to be conducted outside of peak traffic times, (7:00am to 9:00am and 2:30pm to 4:00pm).

7 Insurance

Energex must hold a broad form public liability insurance policy for at least \$10 million or another amount specified by the City in respect of the regulated activity.

8 Amendments

The City may by written notice to Energex amend the conditions contained in this permit or incorporate additional conditions from time to time as it reasonably requires.

Contacting us

To discuss matters relating to this Permit please do not hesitate to contact the Traffic Management Section on telephone (07) 5667 3639.

Yours faithfully

for
Matthew Tilly
