

## Deemed Standard Connection Contract (Normal Meters)

---

*small customer* means:

- (a) a residential *customer*; or
- (b) a business *customer* who consumes *energy* at or below a level determined under the *National Energy Retail Law*;

*small generator* means a generating unit (which, for the avoidance of doubt, includes relevant equipment such as an inverter) of the kind contemplated by AS/NZS 4777 (Grid connection of energy systems via inverters);

*standard connection contract* means a contract on the terms and conditions and in the form of this document; and

*supply services* means services relating to the flow of *energy* to or from *your premises*.
