Dear Mr Hibberd

**Road Corridor Use Approval – Permit for Temporary Road Closures Various Locations within Scenic Rim Region**

Council acknowledges receipt of your application dated 2 June 2021, requesting the temporary road closures for various locations within the Scenic Rim Region as per the following details:

Traffic Management Company: Various - as engaged by Energex for each location  
Closure Duration: 1 July 2021 to 30 June 2022  
Application Number: RCU21/0152  
Date of Issue: 29 June 2021

Approval has been granted for this closure, issued in accordance with *Local Law 1 (Administration)* and *Subordinate Local Law No. 1.15 (Carrying Out Works on a Road or Interfering with a Road or its Operation)* and will be subject to the following conditions:

- Work is to be carried out between the closure duration stated above.
- A permit is to be obtained from the Queensland Police Service.
- A public notice is to be placed in the local paper, advising the date and times of the road closures.
- The management of all traffic through the work location (including pedestrians/cyclists) must comply with Part 3 of the Manual of Uniform Traffic Control Devices. Failure to comply with this requirement may result in the immediate issue of an order to cease work within the road reserve.

In accordance with Transport and Main Roads (TMR) Traffic Management Registration Scheme, regulatory signage/traffic control may only be implemented by a traffic management company registered with TMR. Details of the scheme including a list of registered companies can be found on: <https://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Traffic-engineering-and-road-safety-approved-products/Traffic-Management-Registration-Scheme>

**Please Note:** Council's issue of this approval does not imply that the Council accepts any responsibility or liability for the accuracy and implementation of the traffic guidance schemes. The applicant retains all liability for the accuracy and implementation of the traffic guidance scheme.

- The Contractor/Traffic Management Company must maintain, during the period of Works, a valid Certificate of Currency for Public Liability Insurance.
- All traffic control equipment to be dismantled immediately after the closure and stacked at an appropriate location, in a safe manner.

Should you wish to discuss the project or the above conditions further, please contact Council's Road Corridor Management Team by email to [mail@scenicrim.qld.gov.au](mailto:mail@scenicrim.qld.gov.au) or by phone on 07 5540 5111, quoting your customer reference number RCU21/0152.

Yours faithfully,

A handwritten signature in blue ink that reads "Mr Scott".
