Dear Mr Hibberd

**Conditional Road Corridor Use Approval – Permit for Temporary Traffic Control Guidance Schemes Various Locations within Scenic Rim**

Council acknowledges receipt of your application dated 22 March 2023, requesting the extension of your temporary traffic control guidance schemes for various locations within Scenic Rim Region as per the following details:

Traffic Control Company:	Various – as engaged by Energex for each location
Closure Duration:	1 July 2023 to 30 June 2024
Application Number:	RCU22/0156
Date of Issue:	31 March 2023

Approval has been granted for this closure, issued in accordance with *Local Law 1 (Administration)*, *Local Law 4 (Local Government Controlled Areas, Facilities and Roads)* and *Subordinate Local Law No. 1.15 (Carrying Out Works on a Road or Interfering with a Road or its Operation)* and will be subject to the following conditions:

- Traffic control work is to be carried out between the dates identified above.
- A permit is to be obtained from the Queensland Police Service when a full road closure and detour is to be implemented.
- A public notice is to be placed in the local paper, advising the date and times of the above road closure.
- Approval of the General Manager of Asset & Environmental Sustainability is required prior to implementing the proposed road closure.
- The management of all traffic through the work location (including pedestrians/cyclists) must comply with Part 3 of the Manual of Uniform Traffic Control Devices. Failure to comply with this requirement may result in the immediate issue of an order to cease work within the road reserve.

- In accordance with Transport and Main Roads (TMR) Traffic Management Registration Scheme, regulatory signage/traffic control may only be implemented by a traffic management company registered with TMR. Details of the scheme including a list of registered companies can be found on: <https://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Traffic-engineering-and-road-safety-approved-products/Traffic-Management-Registration-Scheme>

**Please Note:** Council's issue of this approval does not imply that the Council accepts any responsibility or liability for the accuracy and implementation of the traffic guidance schemes. The applicant retains all liability for the accuracy and implementation of the traffic guidance scheme.

- The Contractor/Traffic Management Company must maintain, during the period of Works, a valid Certificate of Currency for Public Liability Insurance to the value of \$20,000,000.
- Council are awaiting the issuing for review, a statement that outlines how Energex and Qld Energy will assesses the placement of New Build infrastructure that references a recognized national standard to minimize the risk the New Build's location presents to the road user. This RCU application is issued conditional on meeting this obligation by 30 June 2023.

Should you wish to discuss the project or the above conditions further, please contact Council's Road Corridor Management Team by email to [mail@scenicrim.qld.gov.au](mailto:mail@scenicrim.qld.gov.au) or by phone on 07 5540 5111, quoting your customer reference number RCU22/0156.

Yours faithfully

Sudheer Payyapatt
