	Installer Company Name	
	Installer / Consultant Contact Name	Installer Email Address
	Installer Contact No.	Clean Energy Council Accreditation No.

<b>Section 5: Equipment Details</b>	<b>Type of Request</b>		
	<input type="checkbox"/> Initial Installation	<input type="checkbox"/> Increase Generation (Inverter) Capacity	<input type="checkbox"/> Resubmission
	<input type="checkbox"/> Increase Panel Capacity	<input type="checkbox"/> Replace Current Inverter (No Increase of Capacity)	
	Make / Model of Inverter		Energy Source <input type="checkbox"/> Solar PV <input type="checkbox"/> Wind <input type="checkbox"/> Solar Thermal <input type="checkbox"/> Other
No. of phases at premises? <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> 3		Are storage batteries installed? <input type="checkbox"/> Yes <input type="checkbox"/> No	Maximum Cumulative Output Rating of Inverter/s Kilowatts (kW)

<b>Section 6: Metering</b>	<b>Metering Scheme</b> (mark one only)	
	<input type="checkbox"/> <b>Net metered</b> – Electricity is used by the premises first, any excess generated electricity is metered and exported to the electricity supply network. – Queensland Solar Bonus Scheme feed-in tariff is only applicable to net metered premises.	
	<input type="checkbox"/> <b>Gross metered</b> – All generated energy is metered, and a negotiated Power Purchase Agreement (PPA) may be established with the electricity retailer for all energy generated.	

<b>Section 7: Terms</b>	<input type="checkbox"/> <b>I elect NOT to expedite this application and connection offer (tick to opt out)</b> <i>If you tick this box and elect NOT to expedite, Energex will forward an offer, which must be signed and returned before Energex will progress with the metering change. Otherwise, by electing to expedite (at no additional cost), you agree that you have read and understood the model standing offer (viewable at <a href="http://www.energex.com.au">www.energex.com.au</a>) for connecting an embedded generator to the Energex supply network. If you elect to expedite, you must not commence with your installation until Energex has advised your application has been approved.</i>	
	<b>Authority to Act</b> <i>If you are making an application on behalf of the Customer, you warrant that the Customer is aware of the terms and conditions of the model standing offer and has authorised you to accept the terms on their behalf. If the Customer is not the sole occupier of the premises, or the named retail customer, the Customer warrants they are duly authorised by all other occupiers of the Premises to apply for and enter into a contract for the network connection on behalf of all persons occupying the premises.</i>
