

Regulatory Test and Request for Proposal Consultations

Part of Energy Queensland

April 2024

Energex

We are seeking demand response or non-network solutions to help us manage network constraints and/or limitations in the following target areas. The specifics of the identified need may vary slightly for each target area and related feeder. Greater detail can be provided on request.

Target Area / Feeder	Required Demand Response
Caloundra – CLD11	500kVA
Caloundra- CLD18	500kVA
Caloundra – CLD29A	500kVA

Details of the network support requirements are as follows (note, these may vary slightly for each target area and related feeder):

- **Network Support Period:** 02 April 2024 – 28 Feb 2025
- **Demand Response Required:** Demand response / network support per network event request (measured and verified). Additional kVA will be considered.
- **Duration of Network Support Event:** Up to 6 hours duration (i.e., 3pm – 9pm)
- **Number of Network Support Events Required:** Up to 10 network support events during the nominated network support period
- **Energy at Risk & Value:** Supplied upon application
- **Load Duration Curves:** Supplied upon application

- **Affected Classes of Customers:** Supplied upon application
- **Initial Preferred Option:** No initial preferred option has been identified
- **Value:** Between \$20/kVA - \$100/kVA per annum. **NOTE:** Value is dependent on the selected target area and deferral benefit of associated capital project cost.
- **Closing date:** 28 March 2025

Non-network solutions could comprise one or a combination of embedded generation or battery storage systems, call-off load, load shift or other demand-side load management solutions. **Please note,** limitation timing requirements specify that existing 'Brownfield' solutions are preferred, as 'Greenfield' solutions are considered unlikely to be deployed and operational for the upcoming Network Support Period

Applications and/or enquiries for information that will enable you to provide an informed response, should be directed to demandmanagement@energex.com.au. For your security, we do not transmit sensitive information via email.

Provide feedback

We are always looking for ways to better engage with businesses and customers. If you have feedback that may help us to improve the Regulatory Test and Request for Proposal Consultations process, or how we can better engage industry in general, please email us at demandmanagement@ergon.com.au or demandmanagement@energex.com.au.
