CONDITIONS

This Certificate of Assessment is for traffic impact only and is not the authority to conduct activities on a Brisbane City Council road. This Certificate of Assessment is subject to any conditions imposed by the relevant State administering agency or the Commissioner of the Police Service. This Certificate of Assessment is subject to the applicant/s compliance in all respects to the accompanying conditions, and every Law, By-law, Ordinance, Act, Regulation relevant thereto and the issuance of a Police Permit by or on behalf of the Commissioner of the Police Service.

- All closures are to be conducted in accordance with the Qld Manual of Uniform Traffic Control Devices Part 3 "Works on Road" 2016 and Australian Standard AS1742.3.
- This Certificate assesses impact on traffic only. It is not an approval of the Applicants Traffic Control Plan nor is it an approval to generate noise that may be a breach of any act, regulation or local law.
It is the responsibility of the Applicant to obtain any authority for the generation of such noise.
- A police permit **MUST** be obtained from Metro South (3364-3131) or Metro North (3354-5137).
- The Brisbane Metropolitan Traffic Management Centre must be contacted on 3292-6095 in the event closures are not per the conditions on this Certificate.
- Vehicular and pedestrian access for local residents, buses and businesses to be maintained at all times except where prior approval of the relevant stakeholder is obtained.
- Local residents and businesses that could be affected by the works are to be notified in writing at least 48 hours prior to the event and an agreed alternative arranged where access is denied.
- Following completion of works, the road is to be left in a neat and tidy manner. Brisbane City Council does not accept any responsibility for damage to or repair work resulting from the activities carried out by the approved Applicant or person acting on behalf of the approved Applicant. If works result in damage to Brisbane City Council assets, the cost is to be met by the approved Applicant.
- Traffic in the vicinity of the site is to be monitored and if delays occur due to the implemented traffic management measures, or when directed by an authorised Council officer, the lanes are to be re-opened to traffic immediately.
- Police or accredited traffic controllers are to be on duty during site operation to assist motorists and pedestrians.**
- The Applicant is to gain approval to excavate footpath or road/occupy footpath from BCC Compliance and Regulatory Services on 3403-8888 prior to commencing works.**
- Provisions are to be made for safe pedestrian and cyclists movements.**
- ENERGEX or its Agent SHALL be permitted to occupy a part of certain roads under the control of Brisbane City Council (BCC) only for the purposes of conducting minor civil works associated. ENERGEX will be required to conduct a formal assessment of the works, including impacts to on-street car parking, public transport facilities and services, resident and local businesses.**

Temporary Road Closure Certificate of Assessment

ABN 72 002 765 795

NOTE: *This approved Certificate must be kept on site at all times.*

Approval for YELLOW ROADS: Applicant shall undertake independent review of section 4.4.5 Works on medians, verges and footpaths of the MUTCD Part 3 This Certificate will only cover the closure of roads marked as yellow in the UBD, provided that the existing traffic lane capacity is maintained. This Certificate will also cover hold and release for a maximum of two (2) minutes and to be timed with the traffic lights where possible. Where applicable, two way traffic must be maintained at all times under this certificate. Access for buses and to stops to be maintained at all times. Remaining lane width to be a minimum of 3m wide to allow for safe vehicle movement. Contraflow conditions are acceptable where the current lane capacity is maintained. Contraflow conditions are to be undertaken outside of peak periods between 9:00 and 16:00 weekdays, between 5:00 and 20:00 Saturdays and Sundays and 20:00 and 5:00 overnight. Parking lane closures can be completed at any time where the current lane capacity is not impacted and Energex and its contractors adhere to all sign and line marking and don't contravene any signage including but not limited to no standing, no stopping, clearway .

Approval for WHITE ROADS: Approval granted for closures from 06:00 to 18:00 daily and 18:00-06:00 overnight This Certificate will cover any type of closure for minor works on roads marked as white in the UBD only. Work on low speed, low volume roads as defined in the Manual of Uniform Traffic Control Devices, Part 3, Works on Road (MUTCD) is approved provided an appropriate traffic management plan is in place.

General conditions for all closures: A separate application must be submitted for closures near **SIGNALISED INTERSECTIONS** which may impact on traffic signal operations. Closures within a **SCHOOL ZONE** are permitted between 9:00 and 14:00 only on **SCHOOL DAYS**. No closures to occur in the Gabba or Suncorp Traffic Areas or within a kilometre radius of the RNA showgrounds during events. No closures during major events in Brisbane. This Certificate does **NOT** apply to any closures within Brisbane CBD, Fortitude Valley or Southbank areas. Should the closure cause undue disruption to or interference with the passage of vehicular traffic, closure to be removed immediately. This Certificate does not include approval to close bus stops, disabled parking, clearways and access to properties. Due to the various nature of this Certificate, the **ENERGEX** may find the required road already occupied by other approved closures. If this occurs, **ENERGEX** must not proceed with any closures until all closures have been completed by original approved applicant. All temporary traffic controls must be installed in accordance with the MUTCD. **BCC** reserve the right to review and reissue these conditions as deemed necessary. If the conditions of this Certificate are breached, **BCC** have the authority to rescind approval
