

QUEENSLAND POLICE SERVICE

GENERAL PERMIT

Transport Operations (Road Use Management) Act 1995
and Regulations thereunder

Permit no.: 3/21

HUBBARD

(Surname)

Chris

(Given name(s))

of Ergon Energy, Level 6, 420 Flinders Street, Townsville
(Address)

whose signature appears hereon, is hereby permitted, subject to the conditions hereunder to:

1. To position plant (Elevating Work Platforms, Lift/Borers/work vehicles) on roadways facing oncoming traffic in circumstances where identified site hazards increase the operational risk to personnel and or plant.
2. For Energy Queensland Limited ACN 612 535 583 and its subsidiary companies Ergon Energy Corporation Limited ACN 087 646 062, Energex Limited 078 849 055, employees of these companies, and authorised contractors of these companies.
3. To perform maintenance and construction activities on Energy Queensland Limited, Ergon Energy Corporation Limited and Energex Limited assets and associated infrastructure.
4. This permit is valid for all roads within the State of Queensland.

Permit shall remain in force from 21/06/2021 to 20/06/2022, unless sooner suspended, surrendered or cancelled.

CONDITIONS

1. Permit shall be carried by driver at all times (photocopy sufficient).
2. The work site shall be configured according to the relevant requirements within Ergon Energy's Working on Roadways Manual.
3. Traffic controllers will manage traffic subsequent to the placement of plant behind the traffic cones delineating the worksite from the roadway.
4. Vehicles are not to be used on roads during the hours of darkness unless in the case of emergent maintenance and repair to Energy Queensland Limited, Ergon Energy, Energex Limited assets and infrastructure.
5. All care is to be taken to avoid incidents with other road users.
6. Operators must hold a current Driver's Licence and/or Operators Certificate for class of vehicle and requirement of work to be undertaken.
7. This permit does not exclude the holder from obtaining any other necessary permission or authority from the relevant government departments or authorities prior to work commencing.
8. Vehicles to be covered by appropriate Public Liability Insurance.
9. Transport Operations (Road Use Management) Act and Regulations must be complied with at all times.
10. Flashing amber lights and warning signs (where applicable) to be fixed to vehicles.
11. Sufficient warning signs and barricades erected whilst equipment is operating on roads/footpaths.
12. Completion of road closures for short term work/traffic control must be completed in line with the Manual of Uniform Traffic Control Devices (MUTCD) requirements.

This permit does not exempt the holder thereof from obtaining any Permit or other authority under and/or otherwise complying with the provisions of any other law.

Issued at: Heavy Vehicle Road Operations Office, Brisbane

Date: 28/05/2021
